

## Merry Christmas

December 2024

Time to celebrate another Christmas and New Year's. We hope that your family had a good and prosperous year.

It doesn't feel like twelve months since I last wrote this letter! With that in mind I'm going to make it very short and sweet this year....

Pat, Kevin & Christina's jobs are the same but Shannon has entered the Real Estate field and Colleen has relocated to California with her boyfriend Josh. All are in good health.

I turned 71 this year on November  $20^{th}$  and had some very nice parties... Lucille's birthday is coming up on the  $31^{st}$ .

The grandkids, Olivia & Scarlett are 7 and 5 this year and doing great! They and their parents are busy all the time!

This summer we had a number of barbeques up in Warwick. Had great weather for all of them.

Lucille and I have been together for 7+ years now. We see friends and family every week and have had some nice get-togethers either here in Hackensack or up in Warwick. Everyone was spread out for Thanksgiving and Christmas will be that way too. Lucille has been busy all year and does a legendary job decorating and celebrating for **all** the holidays. Had get togethers for St. Patrick's Day and Halloween.

Mario & Mikey the cats are well and they send their Christmas wishes...

May this Christmas season bring peace, joy and hope to you and yours. Stay safe.

Brian & Lucille
